

Sunday Morning Head Clearer - 19th November 2017

Come and join Bicheno's "Coffee Club" - Our group of local ocean swimmers who enjoy swimming in our beautiful crystal clear waters every morning.

You can join them Sunday morning at Waub's Beach in a short ocean swim along the Bicheno coast line, escorted by kayakers; or have a snorkel in the bay and be amazed by our underwater world; or just have a paddle on the edge of this beautiful beach.

No need to register!

This is just an invitation to swim along with the locals (and you never know, you might just see a famous face in the group!)

Join them at the Surf Club on Waub's Beach at 7.45am (and you might want your wet suit) for a quick chat and then into the water!
